

Audit & Assurance

International Support

RSM Malaysia is an independent member firm of RSM International, an affiliation of independent accounting and consulting firms. RSM International is represented by independent member firms in over 116 countries and is ranked the sixth largest accountancy firms in the world. The large member firm network of RSM will provide a good coverage for the services required by international clients across all jurisdictions.

Our Experience

Our team is highly skilled in the areas of providing auditing and accounting services to many small, medium as well as public listed companies and large multinational entities in various industries. With excellent local knowledge in statutory compliance matters and good working relationship with local authorities, our team provides the best solutions to clients and assist clients in achieving business objectives.

We are registered auditors with the Malaysian Audit Oversight Board established under the Securities Commission Act Malaysia 1993 and Public Company Accounting Oversight Board created by the Sarbanes-Oxley Act 2002.

Sectorial Experience

Our audit services cover a wide range of sectors including manufacturing, trading, shipping, property development and investment, professional services, wholesalers and retailers, quarry operators, leisure, entertainment and media, education, telecommunications engineering and constructions, plantation and agribusiness.
