XERO CLOUD SOLUTION FOR SMALL & MEDIUM-SIZED BUSINESSES

The correct way to solve your business problems is to solve your accounting problem first.

RSM Botswana and Xero

XERO is perfect online accounting solution that we can offer to instantly improve your accounting function. RSM Botswana is a Xero Certified Adviser. What does that mean? With one online book-keeping and accounting product and of course with RSM, you can instantly establish your Online Accounts Office not only to keep your books online updated all the time but also to manage your transactions on a day to day basis.

What all you do is to give RSM View access to your accounts and bank statements. Also allow RSM to train your front desk officer to perform certain basic bookkeeping functions under our guidance and supervision. You will also upload job completion documents for ready online access.

What are the advantages?

1. RSM Botswana is your one-top reference point for all your

transactions.

2. You send debtor statements online.
3. You save money on Receipt Books and other unnecessary paper documents because Xero prints these documents online, sends them to your clients online.
4. Your clients also pay through bank transfer and Xero captures online
5. You view your transactions and various other reports from the comfort of your home or anywhere outside your office.
6. Your efficiency and productivity improves.
7. Your queries can be sorted by phone or email. This is your firm's own trial balance.
8. You can upload job completion documents and your clients can view them online using a secured access.

What are the disadvantages?

You should have internet. But is this really a disadvantage in this information age?
