

## **RSM France appoints Luc Petiteau as Regional Head for RSM Méditerranée**

- **RSM France, the 6th largest global network in audit, consulting, and accounting, announces the appointment of Luc Petiteau as Regional Head for RSM Méditerranée.**
- **This appointment reflects the group's commitment to supporting local businesses in navigating today's economic challenges and to reinforcing RSM Méditerranée's position as a regional market leader.**

With 160 staff in Montpellier and 50 in Nîmes, RSM Méditerranée stands out thanks to its strong local presence and longstanding reputation, established since its founding in 1945. RSM Méditerranée reaffirms its dedication through the full engagement of its teams and adherence to strong core values, which underpin its continued success.

"RSM Méditerranée delivers high-quality and consistent services, with strong involvement from partners in carrying out engagements," says Luc Petiteau.

### **Supporting businesses in meeting today's challenges**

RSM Méditerranée has a significant presence in key sectors such as healthcare, professional services, digital, real estate, and renewable energy. The firm is also recognized as a leading player in HR and payroll services, accounting for small businesses, and M&A advisory.

RSM Méditerranée implements concrete initiatives to support all regional businesses as they face increasing digital and strategic challenges.

"To address today's challenges, we have developed two main focus areas. The first is electronic invoicing, for which we have established a dedicated team to support businesses in meeting new legal requirements. The second is a service offering focused on business transfers and acquisition due diligence," adds Luc Petiteau.

#### About Luc Petiteau

Luc Petiteau is a chartered accountant specializing in HR consulting, employment law, and payroll. He has been a partner at RSM France since 2009. Luc developed the group's HR and payroll division in response to high client demand within RSM. After an initial career in the banking sector, he quickly pivoted to accounting and joined the finance department of a fast-growing company, gaining valuable insight into the added value of the profession. This experience led him to specialize in human resources and payroll—fields with a strong human dimension.

In parallel, he has built solid experience across various sectors, including business management, taxation, entrepreneurship, new technologies, and start-ups. His goal is to help businesses manage payroll securely and identify the tools that will truly add value—streamlining their administrative operations.
