

RSM

Dr. Suresh Surana
Founder

Background

RSM India has emerged as the 6th largest accounting, tax and consulting group in India over the past decade. RSM India is an independent member of RSM International network, ranked as the 6th largest global network with annual revenue of US\$ 5.7 billion and presence in 120 countries.

The Founder - Dr. Surana is a Chartered Accountant, a law graduate and Ph.D. in 'Business Policy & Administration'. The Board of directors of RSM India include K. Chandrasekaran, Dr Ram Babu and Anup Rath, Engineers from IIT and MBAs. The IT systems assurance, global financial reporting, tax and transaction advisory practices are led by the other Board members.

RSM India has 1,800 personnel. The group is headquartered in Mumbai and has offices in 11 cities including New Delhi – NCR, Bangalore, Surat and Chennai.

RSM India – Key Growth Drivers

RSM India is driven by entrepreneurial zeal and the commitment to build a world-class home-grown institution. Client-centric approach, technical excellence and industry vertical focus are the pillars on which the enterprise is built. Leveraging Technology and Automation to improve client service and response time are crucial. IT Systems Assurance & Cybersecurity Practice and empanelment with CERT-In have been important milestones. The extensive application of Data Analytics, using in-house developed 700+ data analytics scripts for its risk advisory services, and the recent launch of BOT for GST are steps in this direction. Equally important is the focus on people and processes. RSM India is accredited with the Global quality standards including ISO 9001 and ISO 27001.

Learning & Research Culture

RSM India has a multi-disciplinary culture with professionals comprising of Chartered Accountants, Management Graduates, Engineers, Information Technology professionals, Company Secretaries and Data Scientists. “Learning & Research Culture” is considered key to survival and growth as we are witnessing massive changes in regulations, governance and technology. The “size and scale” have been overtaken by “agility and adaptability”.

Favourable Environment

RSM India Founder, Dr Suresh Surana, says “The Indian economy has been growing at an average annual rate of 6.7% for the past decade and is now the third largest economy in the world. Globalisation has promoted cross-border investment and India has led the global digital transformation. These factors created favourable tailwinds for us to achieve the growth”.
