

Practical, commercially  
focused and socially  
responsible advice

## Tax Consulting

Tax consultancy and planning is an area of major interest to most individuals and corporations as income tax forms a significant cost of doing business. We have a team of highly skilled and experienced tax consultants with in-depth specialised knowledge of the Malaysian tax legislations. Each senior member of the core team of tax professionals has experience that spans over three decades and brings with them proven capabilities in providing optimum yet practical solutions to complex tax issues.

Our tax specialists are kept up-to-date not only on local tax but also international tax developments through the RSM International network and strive to provide forward thinking and value added services to our clients.

Our specialised tax services include:

- corporate tax planning
- tax advice on mergers and acquisitions
- privatisation projects
- financial schemes
- advice on tax incentives
- optimisation and applications
- international & cross border tax planning
- tax due diligence
- transfer pricing
- advice on the setting up of a tax effective business vehicle in Malaysia
- advice on a tax efficient remuneration package for an employee
- application for stamp duty exemption
- application for sales tax fund
- application for sales tax & services tax license / exemption
- advice on GST requirements
- handling customs audit and investigation
