RSM ASIA DESK

Due to its favorable fiscal climate, modern infrastructure and its strong economy, The Netherlands offers multiple opportunities for Asian entrepreneurs. However, for your business to benefit from these opportunities, a thorough knowledge of the Dutch laws and regulations, and fiscal possibilities, is imperative.

The [RSM Asia Desk](#) in the Netherlands has already been supporting multiple Asian entrepreneurs in their business activities in The Netherlands for several years. The majority of these entrepreneurs are Dutch holdings with an Asian mother organization. Next to this, we offer our services to Dutch businesses of 1st and 2nd generation immigrants of an Asian descent, residing in Holland.

Comprehensive service

Thanks to our extensive expertise in the fiscal, financial and legal area, the RSM Asian Desk in the Netherlands offers clients an integral service. Naturally, we take care of various accountancy- and audit services and provide you with tailored tax advice, including the filing of your tax returns. We also support you in setting up the optimal fiscal and legal structure for your business, and in handling prudential or Corporate Finance related matters. Thanks to our global network, we can think along with you, regarding specific Expat regulations (tax and immigration) for instance, or find you the right business connections from within our various Asian-related networks.

RSM EUROPEAN CHINA PRACTICE GROUP

With recent economic growth in China, as well as subsequent increases in inbound and outbound activity by Chinese and non-Chinese organisations, significant focus has been placed by RSM on servicing these businesses to leverage the prosperous economic conditions and subsequent opportunities.

The RSM Global China Practice Group (GCPG) was established to provide an unified, global approach to serve Chinese businesses in domestic markets, as well as assist international businesses in entering China. The GCPG seeks to align activity to RSM Global 2020 strategic plan through:

- Creation and/or adoption of common methods and processes
- Cross-divisional client management
- RSM brand development

Being the regional leader and China Practice Group coordinator for the region Europe, RSM Netherlands is highly involved in the development within the GCPG and therefore the best starting point to tap into the RSM Europe/China network. With more than 50 Chinese speaking professionals, working at the local RSM offices in the European region, we are certain that we can provide our Chinese clients with an European total solution, rather than just a local one.

随着中国近期的经济增长以及随后中国和非中国组织的入境和出境活动的增加，RSM重点关注为企业提供服务，以利用繁荣的经济条件和随后的机遇。

RSM全球中国业务集团（GCPG）的成立旨在为国内市场的中国企业和希望进入中国的国内企业提供统一的全球服务。GCPG旨在使活动与RSM全球2020战略计划保持一致

- 创建和/或采用共同的方法和流程；
- 跨部门客户管理；和
- RSM品牌发展。

作为欧洲地区的区域负责人和中国业务组协调员，RSM荷兰积极参与GCPG的发展，因此是进入RSM欧洲/中国网络的最佳起点。我们有超过50名中文专业人士，在欧洲地区的当地RSM办事处工作，我们确信我们可以为中国客户提供欧洲整体解决方案，而不仅仅是本地客户。
