Partner, RSM New Zealand

### EMILY XU IS A PARTNER IN OUR AUCKLAND NORTH OFFICE AND HAS BEEN WITH RSM SINCE 2006.

Before emigrating from China, Emily began her career as a commercial accountant. This has given her a sound understanding of the commercial business environment, something which she has been able to translate to her varied client base in New Zealand.

When she arrived here, Emily joined the accounting practice and was welcomed into our Asian team. She is fluent in English, Mandarin and Cantonese and has a specified client base, leading the Asian accounting group at RSM New Zealand. Over the years, Emily has been an integral part of its growth and she is responsible for the development of specialised services to migrant and overseas investors.

Emily enjoys the challenge of being involved in the preparation of project reports for various small and medium sized enterprises and assisting her clients in getting bank finance for their projects. She specialises in assisting overseas investors and migrants with their accounting and tax planning, with an integral part of this role ensuring that overseas tax requirements are met. Emily has extensive experience in handling Inland Revenue (IR) investigations into overseas based clients.

Emily completed her Bachelor of Economics degree at Chongqing Technology and Business University in China and became a Chinese CPA in 2002. She also studied at Massey University, completing a Graduate Diploma of Accounting. In 2010 Emily became a Chartered Accountant and she is a Member of Chartered Accountants Australia and New Zealand (CAANZ), a professional association of Chartered Accountants.

With her vast experience, Emily is ideally placed to assist overseas investors and migrants with their tax planning and accounting requirements.
