

NICOLA TURNER

Partner, RSM New Zealand

NICOLA TURNER IS A PARTNER IN OUR AUCKLAND OFFICE AND HAS BEEN WITH RSM SINCE 2006.

Nicola has considerable experience in a wide variety of accounting roles.

Early in her career, Nicola began developing relationships with several of our large client companies. She has been working with them ever since and has been a key player in helping their business grow. From preparing annual accounts and taxation compliance, to helping prepare cash flow and budgets for finance and business requirements, Nicola has been there to help. This desire for her clients to grow, and the expertise she gained saw her quickly progress from graduate to Partner where she is now responsible for overseeing the work of our Highbrook accounting team, as well as developing her own client relationships.

During her time at RSM, Nicola has become a specialist in assisting start-up child care centres, working with manufacturing companies and cash flow and budgeting services. Nicola has a passion for understanding the numbers and how to get to there, including sorting out problems and coming up with solutions to take the worry away from her clients.

Nicola studied at Manukau Institute of Technology, completing a Bachelor of Business and a Diploma of Professional Accounting, and became a Chartered Accountant in 2009. Nicola is also a Member of the Chartered Accountants Australia and New Zealand (CAANZ), a professional association of Chartered Accountants.

With a strong desire to assist clients in need of instant solutions, Nicola is ready to take on the challenge of helping any client (new or old) who approaches her.
