NEW REAL PROPERTY PAYMENT REQUIREMENTS

Year 2015 Issue #14

The Municipal Revenue Collection Center ("CRIM" for its Spanish acronym) has issued Administrative Determination 2015-07 (herein "AD-15-07") with the purpose of providing information regarding the new requirements to complete the Real Property Tax payment electronically for the fiscal year 2015-2016.

AD-15-07 states that taxpayers who possess real property subject to Real Property Taxes, except for residential properties, will be required to complete the payment electronically through their web page, www.crimpr.net. The acceptable methods of payment on this website are Electronic debit, Master Card, Visa and American Express.

The communication also states that taxpayers can complete the payment through ACH Credit or Wire transfer. If the taxpayer elects to complete the payment through the aforementioned method it will have to provide additional information such as the payment confirmation, the Property's registry number and the payment period to the following email address crimwirereal@crimpr.net.
