

Digital skills and sustainability expertise expected to take the centre stage

Graduate Accountant-Advisor Programme (GAAP)

Why GAAP?

GAAP is a career programme by RSM Singapore to develop high potential accountancy graduates into multi-skilled, highly trained and professionally qualified business advisors that can navigate the complex business environment and deliver impactful outcomes for our clients.

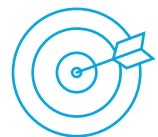

STRUCTURED

Gain exposure to, and after 2-3 years, eventually specialise in one or more of the following: (1) Financial Audit; (2) Tax; (3) Data Science; and (4) Environmental, Social and Governance (ESG)

QUALIFIED

Earn your professional qualifications (Singapore Chartered Accountant Qualification or Accredited Tax Practitioner) during your time at RSM, paving your way to be a trusted business advisor

FUTURE-PROOF

Future-proof your career by becoming a business advisor who is multi-skilled, highly trained and professionally qualified to unlock wide career options in the future

MENTORSHIP

Receive mentorship through high level of interactions with experienced data scientists and partners

Who should apply?

- Accountancy graduates (Bachelors or above) with less than a year of work experience; fresh graduates are welcome to apply
- Passion in data analytics and/or ESG
- Local and overseas accountancy graduates are welcome to apply too
