

Digital skills and sustainability expertise expected to take the centre stage

Senior Accountant–Advisor Programme (SAAP)

Why SAAP?

SAAP is a career programme by RSM Singapore designed to develop senior accountants into multi-skilled, highly trained and professionally qualified business advisors. Our goal is to equip you with the necessary skills to excel in today's intricate corporate landscape, enabling you to deliver impactful outcomes for our clients.

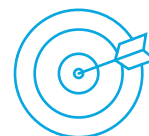

STRUCTURED

Enhance your core competency in audit and gain exposure to the emerging domains of Data Science or Environmental, Social, and Governance (ESG).

QUALIFIED

Earn your Singapore Chartered Accountant Qualification during your time with us, paving the way for you to become a trusted business advisor.

FUTURE-PROOF

Future-proof your career by becoming a qualified business advisor, equipped with a diverse range of skills and expertise, to ensure success in a rapidly evolving professional landscape.

MENTORSHIP

Receive mentorship through high levels of interaction with experienced ESG consultants, data scientists and partners.

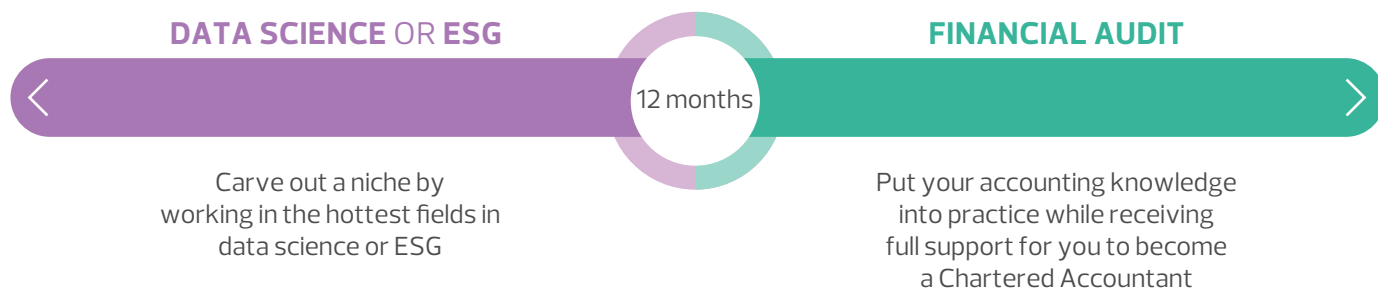

Who should apply?

- Accountancy graduates (Bachelors or above) with 2 to 3 years of audit experience; fresh graduates are welcome to apply for the Graduate–Accountant Advisor Programme (GAAP) instead.
- Passion in data analytics and/or ESG.
- Local and overseas accountancy graduates are welcome to apply too.

Timeline

Our comprehensive programme is designed to develop your expertise in financial audit while also providing substantial exposure to ESG or data science, ensuring a well-rounded experience for you.

Specialisations

Data Science

Provide tailored, future-proof solutions that empower businesses

ESG

Advise businesses on their sustainability strategy

Financial Audit

Perform tailored audit work in accordance with applicable frameworks
