CIO AS A SERVICE

Lead. Align. Deliver.

Independent technology leadership to govern priorities, investments, suppliers and transformation.

Turn technology potential into measurable business value.

Technology is a key enabler of growth, efficiency and resilience.
Yet man organisations lack the dedicated leadership, time or expertise to govern technology priorities, manage investments and deliver successful transformation

WHY IT MATTERS

THE QUESTION EVERY LEADERSHIP SHOULD ASK

DIRECTION

Is technology aligned with business priorities?

PRIORITIES

Do we know which technology initiatives should be prioritised?

OWNERSHIP

Are responsibilities and decision rights clear?

DELIVERY

Are technology programmes delivering the expected business outcomes?

DIRECTION ▶ PRIORITIES ▶ OWNERSHIP ▶ DELIVERY

CLEARER TECHNOLOGY LEADERSHIP. STRONGER BUSINESS OUTCOMES

RSM Switzerland SA is a member of the RSM network and trades as RSM. RSM is the trading name used by the members of the RSM network. Each member of the RSM network is an independent assurance, tax and consulting firm each of which practices in its own right. The RSM network is not itself a separate legal entity of any description in any jurisdiction.

Each member of the RSM network is an independent assurance, tax and consulting firm each of which practices in its own right. The RSM network is not itself a separate legal entity of any description in any jurisdiction. The RSM network is administered by RSM International Limited, a company registered in England and Wales (company number 4040598) whose registered office is at 200 Aldersgate Street, London, EC1A 4HD, United Kingdom. The brand and trademark RSM and other intellectual property rights used by members of the Network are owned by RSM International Association, an association governed by article 60 et seq of the Civil Code of Switzerland whose seat is in Zug.
