RSM in the UAE: capabilities and services

Insights to help you move forward with confidence

A world leader in assurance, audit, tax and consulting services.

ABOUT RSM

In a world shaped by global, socio-political shifts, climate change, rapid technological evolution, and increasing cyber threats, transformation is happening faster than ever. But in every disruption lies opportunity—if you're ready.

To navigate this fast-paced environment, you need advisers who are forward-thinking and agile—partners who anticipate change and help you respond strategically. RSM is a leading global network in assurance, audit, tax, and consulting services, providing tailored solutions to clients worldwide. We build meaningful relationships through a deep understanding of what matters most to you. The firm emphasizes a collaborative approach to understand client needs and deliver customized insights.

By connecting you with the knowledge and experience of our senior professionals across the globe, we empower you to drive critical change with confidence.

This is The Power of Being Understood. This is RSM.

PEOPLE

Navigate your way across borders.

RSM combines global reach with local expertise to provide tailored solutions for businesses. Our member firms are rooted in their regions, offering clients the benefit of on-the-ground insights into local cultures, regulatory frameworks, and market dynamics. This unique blend allows us to provide tailored solutions that help you enhance efficiency, manage risk, reduce costs, and gain a competitive advantage.

When you're ready to expand beyond your home market, RSM seamlessly connects you to our global network. We guide you through the complexities of international business by linking you with local experts who not only understand your industry—but are also committed to understanding your ambitions.

Wherever you choose to grow, we're there to support your journey.

1.

ONE POINT OF CONTACT

At RSM, we understand that under pressure, clear and timely communication is critical. That's why you'll have a single, senior point of contact someone you trust, who connects you to the right experts, exactly when and where you need them.

2.

UNDERSTANDING YOUR BUSINESS

By getting to know your goals, values, and what drives you, we can offer meaningful support. Your management team will receive expert insights, tailored reports, and advice focused on the issues that matter most to your organisation.

3.

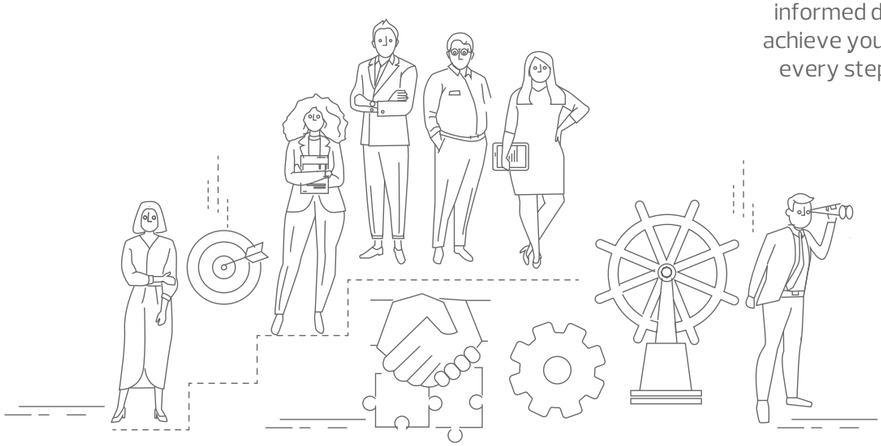

TRUSTED REFERRALS. SWIFT DECISIONS

Close relationships between our member firm partners ensure seamless cross-border collaboration. With trusted referrals and coordinated support, you benefit from swift responses and efficient decision-making worldwide.

4.

CONCISE & PROFESSIONAL

When you work with us, you gain a team of advisers dedicated to your success. We carefully analyse your market, regulations, and business environment to identify opportunities and risks early. Our goal is to help you manage challenges, make informed decisions, and achieve your full potential every step of the way.

Audit, assurance and accounting

Intelligent insight and smart feedback

To consistently deliver high-quality auditing services, we are continually investing in our auditing methods and harnessing the latest supporting technology and analytics. We closely follow the latest developments and share them throughout our network of professionals. This means our clients receive assurance services that are continually up-to-date and focused on their specific needs.

Staying alert to risk is always a priority. That's why we devote a considerable amount of attention and resources to ensuring our methods are compliant with the International Standards on Auditing.

Our services include:

- Global and listed company audits
- Local statutory audits
- Other assurance services
- Global compliance and support
- Accounting and financial business services

Tax services

Commercially focused, Practical, and responsible Tax advice

For global businesses navigating complex and ever-changing tax regulations across multiple markets, expert guidance is essential. At RSM, our tax professionals collaborate across jurisdictions to deliver seamless, strategic solutions.

Our services include:

- Indirect (VAT) and direct (CT) tax compliance
- Global tax strategy and planning
- Transaction tax advisory, including M&A and due diligence
- Transfer pricing

Precise consultancy for the short, medium and long-term

In today's complex business environment, success requires a balance between immediate priorities and long-term goals. At RSM, we partner with you to understand your challenges and deliver tailored consultancy support—when and where you need it.

Drawing on deep sector insight and a global network of experts, we help organisations embrace change, enhance productivity, manage risk, and make smarter decisions.

Our services include:

- Management consulting
- Technology consulting
- Operations and production consulting
- Public sector consulting
- HR and organisational development
