

4

LABOR-WAGE POLICIES

EFFECTIVE FROM JANUARY 2022

The first month of the new year marks many new policies officially taking effect. Here are four notable policies on labor – wage that will come into effect from January 2022.

01

**Increase pensions and social insurance benefits by 7.4%
(Decree 108/2021/ND-CP)**

Effective from 01 January 2022

**Grassroots trade union officials are entitled to a maximum
of 1.49 million dong/month responsibility allowance
(Decision 3226/QD-TLD)**

Effective from 01 January 2022

02

03

**Enterprises providing labor export services are entitled to
an increase in the deposit level (Decree 112/2021/ND-CP)**

*Effective from 01 January 2022 and replaces Decree
38/2020/ND-CP*

**Guidelines for setting up salary for controllers of 100%
state-owned single-member limited liability companies
(Circular 105/2021/TT-BTC)**

*Effective from 15 January 2022 and replaces Circular
97/2017/TT-BTC*
